The first of its kind in Uganda, MIREMBE VILLAS-KIGO is a well planned community project jointly developed by Guoji Group and Buganda Kingdom. The project covers 70 acres of land, situated in a good geographic location and convenient transportation along the Kajansi-Munyonyo Highway. It is close to Entebbe airport expressway, situated between Kampala city center and the airport with 30 minutes drive to the airport and 15 minutes drive to the downtown area. The project neighbors Serena Lake Victoria Hotel, a 5 star hotel with a golf course and other high-end leisure supporting facilities, a true paradise on the outskirts of Kampala. Residents will fully appreciate the beautiful scenery of Lake Victoria and the golf course view. It is a modern high-end community with distinct Mediterranean architectural style integrating dwellings and environment perfectly.

Mirembe Villas-Kigo is a modern comprehensive community with first class supporting facilities which will include: Shopping Mall Restaurants and Bar Clinic Gym Swimming Pool Sports Courts Gardens with trees Contact: 0776 581 581
